

# WHAT TO WEAR TO A UWA PHOTOSHOOT

We recommend bringing an item of clothing to cover the shoulders (or cleavage!) so images can be used internationally

Avoid wearing dominant logos and strong patterns/stripes/spots

Tidy hair, suitable makeup (if used)

Jeans are fine (not ripped)

Dress modestly - skirts/shorts/dresses mid-thigh length or longer (no short shorts!)

Enclosed shoes for laboratory photographs

Come with your usual uni gear - bags, pens, laptops, books make good props
