How do you get around Nedlands?

More people are choosing to walk, cycle and use public transport. This guide will help you get to know your local neighbourhood on foot, by bike or using public transport.

We encourage you to look closely at what's nearby and take the time to explore what our City has to offer.

Wherever you are going, consider your options – that is what being TravelSmart is all about.

How do I use this map?

There are two sides to this map: one with walking and cycling information, the other with public transport routes. Both sides feature a wide range of handy services and amenities.

Feel free to follow these tips that have helped thousands make the most of their maps.

1. Mark where you live.
 2. Mark where you frequently visit, like the shops, friends' homes and the train station.
 3. See if you can get to these places by walking, riding your bike or catching a bus. If you can, highlight the routes for quick access when you're out and about.
- To make even more use of this map, try the following:
- Look for places you never knew were there like parks, community centres and delis.
 - Each time you're looking for ways to get active, consider visiting somewhere new. You might just find something or meet someone that makes your day.

Catching the Bus or Train

On the public transport side of the map, the thick coloured lines are bus routes. Bus stops are shown as coloured squares along the route. Follow where the bus goes by tracking the thick coloured lines.

To find out when buses depart from your local stop, visit www.transperth.wa.gov.au or call 13 62 13. Once you know your five digit bus stop number, you can get the timetable you need on your mobile by simply going to 136213.mobi. Otherwise text the stop number to 13 62 13 and Transperth will reply with the next seven services from that stop. You can find the five digit bus stop number at the top of your bus stop post in the green panel.

All buses on accessible routes have a low-floor and ramps for prams, wheelchairs and strollers. Accessible bus route numbers are in blue and pink boxes on the map and are marked accessible in the legend.
